# Active Day and night

Design and Produced in POLAND (manufacturer)

Solar Traffic: LED Display

. **Solar Panel: 200watt**
. **Battery: 12volt , 300Ah sealed lead acid**
. **Size:120*240 cm**
. **Pixel quantity: 28*48**
. **LED quantity in each pixel: 5pcs**
. **Total LED Quantity: 6720pcs**
. **Lighting is 4 candle for Yellow LED**
. **LED life time is 100,000 hours**
. **Charge controller with microcontroller**
. **Included special Lens for increasing light**
. **Working time after full charge: 3 days**
. **Working time in cloudy weather: 6 days**
. **Visible distance: more than 1km**
. **Angle: 150 degree**
Warranty: 2 years
